

ELKS EMERGENCY ASSISTANCE PLUS

No traveler should be without EA+'s many features, services and benefits. Don't find out too late that many of these costs are not covered by health insurance or Medicare! You can be assured of getting the help you need if an emergency happens to you far from home, whether in the U.S. or overseas.

MEDICAL EVACUATION

- **Emergency Medical Evacuation** (by air and/or ground) arranged and paid for if needed to move you to a more appropriate medical facility so you can get the care you need.
- **Dispatching a Specialist** to your location if medically necessary.
- **Transportation after Initial Evacuation** arranged and paid for your return home or to a health care facility nearer to your home, if medically necessary or after treatment and stabilization.

MEDICAL ASSISTANCE

- **Prescription Replacement** helps get your lost or stolen prescription replaced by the most efficient means possible.
- **Up to \$5,000.00 in Advance Medical Payments** paid directly to the medical provider when necessary against a valid credit card if you do not have funds available. Sadly, many hospitals will not accept patients without pre-payment, even those needing emergency care.
- **Emergency Medical Monitoring** means that a professional EA+ representative is assigned to monitor your hospitalization to ensure you get the best care in a medical emergency.
- **Emergency Medication, Blood and Vaccine Transfers** coordinated through EA+, if needed.
- **Doctor/Emergency Room/Dentist/Attorney 24-Hour Locator Service** links you with competent professionals, wherever you are. Get a sensible referral instead of looking through the Yellow Pages of a town you don't know.
- **Emergency Local Ground Transportation** limited to \$200.00.

ASSISTANCE FOR COMPANIONS

- **One Round-Trip Economy Class Ticket** paid to send a family member or companion to your bedside if you're traveling alone and hospitalized for more than 7 days.
- **Dependent Children or Grandchildren Return Home Expenses** paid for transporting home a dependent child or grandchild if left unattended when you're not able to continue because of injury or illness, even from a foreign country.
- **Pet Care and Return** provided if you become unable to care for a pet due to an accident or illness while traveling.
- **Return of Traveling Companion** in the event that you pass away while away from home.

TRAVEL ASSISTANCE

- **Vehicle Return** arranged and paid if you cannot drive your vehicle back to your place of residence due to medical evacuation or death.
- **Repatriation Costs** to bring your remains home in case of death while traveling.
- **Pre-Trip Assistance** in replacing passports, driver's licenses, birth certificates, or other documents that get lost or stolen. EA+ will provide telephone assistance related to consular services, inoculations, visa and other travel requirements to help you cut through all the red tape!
- **Lost Luggage or Item Assistance** puts EA+ experts to work helping you track down lost luggage, personal items and documents. EA+ will follow through while you travel on.
- **Language Interpretation Service** if you're traveling in a foreign country and need multilingual help in an emergency. Your ID card has a special number for you to call collect – you don't need to spend a dime!

PERSONAL SECURITY SERVICES

- **Security Evaluation Services** in the event of a threatening situation, EA+ will assist you in making evacuation arrangements, including arranging flights, ground transportation, housing, and securing visas. EA+ will also give you access to specialized security services in more extreme situations.

You must call EA+ so we can make arrangements for you.
